

# Manufacturing in India

Indian jobs, one of his key campaign platforms. Lagging behind China in manufacturing for decades, the \$2.3 trillion economy is trying to narrow the gap with its giant neighbor, which successfully tested its first home-made commercial passenger jet this year.

After Modi decided to opt for fewer Rafale jets from Dassault in 2016 — all of them imports — the main opposition Congress party criticized his move saying his call for "Make in India" sounded hollow.
